LET 2004 Letters to Ali [videorecording].
Collingwood, Vic. : Madman Entertainment, 2004. 1 DVD-ROM (106 min.)
The documentary chronicles one exceptional "average" Australian family, the Kirbi/Silbersteins, who decide to help on a small level by writing to Ali - a fifteen year-old Afghan boy detained at Port Hedland and unaccompanied by any relatives. This letter would prove to be the catalyst for a three-year ongoing-battle with Australian authorities to get Ali, then a minor, out of detention.
